Dear Potential ChristCare Small Group Leaders,

Attached you will find a two page Application to Serve as a ChristCare Group Leader. If you are interested in receiving training and subsequently serving as a ChristCare Group leader please fill out the application and return it to the church office. After the application has been received a member of our Equipper's Team will contact you to schedule an interview.

The purpose of the application and the interview is to help the ChristCare Equipper Team and the applicant prayerfully discern whether the applicant has a healthy mixture of the desire to be a ChristCare Small Group Leader and the spiritual and leadership gifts necessary to be an effective small group leader. There are no perfect small group leaders and that is not what is expected. However, we need to make every effort to insure that this will be a spiritually rewarding experience for you and those who will ultimately be under your leadership in a small group.

The application process will enable us to fully communicate to you the commitment that is asked of those seeking to be ChristCare Leaders, the training that is necessary, answer any question you have about ChristCare or the training process as well as join you in a process of prayerful discernment to determine whether God is calling you and equipping you for this ministry at this time.

We are excited that you are feeling God's call to this wonderful ministry and we look forward to receiving your application.

In Christ,

Your ChristCare Equippers Team  
Pastor Mark  
Sandy Garrison  
Laine Gordon  
Jim Clark
